GCABSS 2020

Paper No. 201235

Comment 1
The paper highlights very important points related to investment within the frame of Shariah or the rules approved by Islamic Law. Many important points are presented, which can make the understanding of investment within the frame of Islamic Law easy and cooperation more fruitful for investors and business leaders who come from different cultures and religions.

Question No. 1
Are there similar investment restrictions in other religious laws (in other religions)?

Question No. 2
Are there any restrictions for the companies run by Muslim businessmen for cooperation with companies run by representative of other religions who do not follow the restrictions posed by Shariah?
